

SMARTKOTE™

THE SCIENCE OF SURFACE COATING

GLOSSY EXTERIORS

ULTIMATE SHINE & PROTECTION

01

SURFACE COATING

“ You can't see nano-technology but
you'll know it's there ”

SMARTKOTE™ Surface Coating will help preserve & protect your car's surface areas. It coats the exterior using nano-technology, providing exceptional resilience to contaminants & harsh environmental conditions.

Its unique formulation delivers durability, hardness & a brilliant shine. SMARTKOTE™ ensures your car will maintain its pristine condition!

ENVIRONMENTALLY

FRIENDLY

DISCOVER THE BENEFITS:

- **ENHANCED UV PROTECTION** prevent fading & premature aging
- **STAIN RESISTANCE** against insect-splatter, bird droppings, & acid rain
- **LONG LASTING SHINE** & a brilliance of colours
- **EASY TO CLEAN** with self cleaning properties
- **DURABLE** water & soiling repellent properties

SMART INTERIORS

SMART SHEEN, SMART SUPPLENESS

02

LEATHER COATING

Preserve The Scent & Feel
Of Luxurious New Leather

SMARTKOTE™ Leather Coating is formulated to sustain the feel & aroma of new leather upholstery.

Its high quality & natural lanolin based (PH Neutral) ingredients provide a highly effective barrier against stains, spills & marks. PH Neutral also means it's safe & perfect to use on any type of leather.

Actively penetrating the pores of leather, SMARTKOTE's Leather Coating will moisturise & soften hard leather.

LEATHER COATING

ENVIRONMENTALLY FRIENDLY

03

VINYL COATING

Coating That Nourishes,
Moisturises & Protects

SMARTKOTE™ Vinyl Coating is formulated to protect damage such as discolouration & fading from UV rays, temperature fluctuations as well as everyday wear & tear.

Actively penetrating the surface layer of vinyl, this treatment is low-sheen, non-greasy & non-slick. Its water repellent properties ensure easy care with spills.

SMARTKOTE™ Vinyl Coating extends the life of vinyl as it is a tough barrier against scuff marks & stains.

04

CARPET & FABRIC COATING

Environmentally Friendly
Carpet & Fabric Protection

SMARTKOTE™ Carpet & Fabric Coating provides durable & invisible protection against common oil & water-based spills whilst being completely safe for you, your family, your pets & the environment.

Containing the bacterial protection system Bacti Shield™ this treatment will protect your vehicle's fabric against harmful bacteria, moulds & fungus.

SMARTKOTE™ Carpet & Fabric Coating contains no harsh chemicals & is particularly ideal for pet owners or for those who suffer from allergies.
