INTRODUCTORY PRICING.

'WHILE YOU WAIT' CONVENIENCE

No more having to make two trips to drop off and pick up your car.

SPECIALISED 'PIT CREW' SERVICE

With the utilisation of a revolutionary tool trolley system, the Toyota Technician experiences higher efficiencies by having all tools localised and in easy reach. Couple this with 'pit crew' style team technique and your vehicle will be serviced with no compromise to quality, whilst saving you time.

EXPERT TOYOTA TRAINED TECHNICIANS

Expert Technicians are trained by Toyota in all specialist dimensions of Toyotas engineering to ensure your vehicle is serviced to the highest standards. By leaving your Toyota in the hands of qualified Toyota Technicians, who use and recommend Toyota Genuine Parts, you can be sure that your vehicle will be kept in the best possible condition, ensuring continued reliability, and optimal performance.

EASY APPOINTMENT BOOKINGS

All you need to do is book your car in any time you have an hour to spare. It is that convenient!

Express
Maintenance

Frankston Toyota
BAYSIDE'S CHOICE FOR TOYOTA

* Conditional on the customer's adherence to the booked appointment time. One-hour turnaround is calculated from the time the customer approves the maintenance work at reception to delivery of the serviced vehicle to the customer. The dealership is not liable for delays in vehicle maintenance if the customer does not adhere to their booked appointment time. Priority is given to on-time customers. Not all vehicles applicable.
