- Vehicle weights/mass and dimensions are approximate and subject to individual vehicle variances. Vehicles should be individually weighed and measured before fitting any accessories, towing or designing any compatible trailer/caravan or otherwise using the vehicle in any way that depends on this value.
- Power and torque test standards differ. Ensure comparisons use same test standard.
- Achieved in test conditions. Actual fuel consumption may vary depending on driving conditions/style, vehicle condition and options/accessories fitted. Fuel consumption data provided for comparison purposes only. Source: ADR81/02.
- Dual moonroof replaces roof rails.
- Reversing camera/front and rear clearance sensors is a driver assist feature only and not a substitute for safe driving practices. Driver remains responsible at all times for safe driving.
